The President's Report

2025-2026

Message from the President...

Fr. Guillermo M. García-Tuñón, S.J., Ed.D ’87

Every summer it is up to the President to take some time to discern the theme that will help guide the following academic year. At times it is a bit tedious, looking for a phrase that encompasses what we want to do, what we want the students of Belen to emulate, & what is in line with our mission as a Catholic-Jesuit school dedicated to the formation of men. Last year’s theme came easily. As a matter of fact, it had been sitting on my desk, handwritten on a Post-it note for a year.

“As iron sharpens iron, so one man sharpens another” (Proverbs 27:17), kicked off the school year with a bold challenge. It motivated our students, faculty, & staff to understand they belong to a family that together in prayer, work, & study make each other better. The words from Proverbs yielded great results. Students rose to the occasion, leaning on their brothers to study together for tests, work out together to get stronger, & engage their teachers to learn more. By doing so, they made the school better, working together to strengthen one another.

As administrators, faculty & staff, we leaned on each other to grow in our faith & in our professions. We were encouraged to never shy away from opportunities to learn new skills to better serve our students & community. As parents & alumni, you too were sharpened by exploring our faith & learning more through the many opportunities now available to strengthen our Catholic-Jesuit identity.

As I reflect on the 2025-2026 academic year, I see the fruits of the seeds we’ve sown. The gentlemen who walk our hallways are sharpening not just their minds, bodies, & souls but each other. That is the light of Christ working at Belen.

In this document, you will see how together we are accomplishing great things at Belen. Construction on the Student Center is well underway and, by the time this is published, the first phase will be complete. It is important to note that this, like all of our projects, is made possible through the generosity of our families & alumni who clearly understand the vision we have set for the school. So many more things can be listed as successes throughout the year, but the most important thing is how our young men exemplify the Magis, live as Catholic men, & grow stronger in the faith.

As you turn the pages to see what has been accomplished & what is to come, know I am grateful for your support. We look forward to the great future God has called us to & will work together to build. Currently, we are working with a committee made up of individuals from every sector of the school community to write the 2027 Strategic Plan. Like the two before, this will be the roadmap we follow for the years to come. This document will outline the challenges we will hold each other accountable to meet. There is nothing we cannot do when we work together. I look forward to sharing it with you before the start of the 2027-2028 academic year.

Thank you for always rising to the occasion, for always offering to help. Our community is a blessing & will continue to thrive as we place ourselves under the protection of Our Lady of Belen. May she, who has lovingly watched over each member of our school community for over 170 years, protect you & guide you with her prayers.

Auspice Maria,
Fr. Willie, S.J. ’87

MISSION STATEMENT

Following the Ignatian tradition of excellence, the mission of Belen Jesuit as a Catholic, Jesuit, college preparatory school is to guide & support our students in their process of becoming men who are proficient in both English & Spanish, open to growth, intellectually curious, religious, loving, & committed to doing justice, so they can work as leaders for the defense of the faith & the promotion of justice in a multicultural society.

LEGACY SOCIETY

Our Lady of Belen, Pray for Us

The Belen Legacy Society was established to recognize and honor individuals who have chosen to support our school's future and Jesuit mission by including Belen Jesuit in their estate plans.

“Belen’s greatest legacy is not what it teaches our sons, but who it calls them to become: men of faith, character, and service to others,” said José A. Garrido, Jr., '72. “Including Belen in our estate planning is a way to pass that legacy forward, so future generations may receive the same extraordinary gift.”

Whether you wish to make an impact today or leave a legacy for tomorrow, we are committed to helping you explore gift options that align with your financial goals and family’s needs. For more information about planning an estate gift, please visit our website at www.belenjesuit.makeaplannedgift.org.

If you have made arrangements for a gift to Belen Jesuit in your will or estate plan, please contact Phil Fernández ’94, Executive Director of Advancement and Alumni Relations, at 786-621-4102.

With deep gratitude, we thank our current Legacy Society members:

Advancing Innovation

The Growth of STEAM at Belen Jesuit

Peter Pérez | Director of Innovation

The Roberto C. Goizueta Innovation Center continues to drive Belen Jesuit's expanding STEAM program, made possible through the generous support of The Goizueta Foundation. Over the past year, the program has elevated academic opportunities on campus while establishing Belen as a regional hub for educational innovation—all in service of forming young men who lead *Ad Majorem Dei Gloriam.*

A cornerstone of this outreach is the Faith Forward Conference, which brought together approximately 500 regional educators for peer-led collaboration & professional development. A second conference highlighted advancements in artificial intelligence, expanding our reach & reinforcing our commitment to serving the broader educational community.

On campus, student engagement in STEAM has reached new heights:

- **Robotics Excellence:** The program celebrated a milestone with the launch of Belen's first FIRST Robotics Competition (FRC) team, the CyberClaws. Building an industrial-scale robot, the team competed in Tallahassee alongside international peers. This growth is generously supported by NASA, the Motorola Foundation, MWL Engineering, & the HAAS Foundation.
- **Aerospace Breakthroughs:** Student aviators in the Aerospace Club are pursuing Junior Rocketry credentials through an inspiring collaboration with Belen alumni leading the University of Florida's Swamp Launch program.
- **Media & Technology Upgrades:** Enhancements to the Conde Media Center will introduce industry-standard media platforms (Unreal Engine, Unity, DaVinci Resolve), virtual/augmented reality, & motion capture unlocking new student certification pathways.

To ensure long-term excellence, faculty regularly participate in professional growth opportunities, & the school is preparing to pursue prestigious STEM accreditation through Cognia. Through ongoing events like the Innovation Showcase & the "Introduce a Girl to Engineering" series, Belen continues to inspire future leaders in South Florida.

A Lasting Legacy of Support

This momentum is anchored by two transformative gifts totaling $4 million from The Goizueta Foundation—an extension of a partnership spanning nearly 70 years that also supports our Catholic Entrepreneurship program.

The bond began with Roberto Goizueta '49, whose time at El Colegio de Belén shaped his commitment to excellence as leader of The Coca-Cola Company. Today, his legacy continues. As Board Chair & CEO Olga Goizueta Rawls noted, the grant aims to inspire students to discover that same lifelong thirst for knowledge fostered by a Jesuit education.

Meet the Director

Peter Pérez | Director of Innovation

Tell us about your journey to Belen Jesuit.

My background is in Biomedical Engineering, originally focusing on prosthetics before pivoting to tissue engineering and running a Catholic school FabLab. Coming to Belen seven years ago was a true "Godincidence"—I initially applied for a math position and was invited to lead our STEAM initiatives instead! Since then, I've had the privilege of growing our FIRST Robotics program, earning my Master's in Industrial Engineering, and working alongside our incredible young men.

What does taking on the role of Director of Innovation mean to you?

It is an honor to lead the future of Belen's Innovation Hub. Stepping into this role, my focus is on expanding capabilities for our entire community: students, faculty, and alumni. A student shouldn't see a 3D printer as just a tool to make a plastic toy, but as a gateway to prototype their dreams, hone their talents, and engineer solutions to real-world problems.

What does "innovation" mean within the context of a Jesuit education?

Innovation is often viewed as purely disruptive, but Jesuit education has been inherently innovative since 1540. For us, innovation isn't about discarding tradition; it's about striving for the Magis. It ensures we form a true "Grad at Grad" who combines cutting-edge technical mastery with timeless Ignatian values and critical thinking.

What are your primary goals for the Innovation program over the next five years?

My goal is to make Belen the premier hub of innovation in South Florida. Over the next five years, we plan to train our faculty across all disciplines to integrate digital fabrication into their curricula. Through hands-on workshops, we want every student to master these modern tools. Eventually, we hope to extend access to our Catholic feeder network and alumni.

How does innovation complement our mission of forming "Men for Others"?

When our students apply emerging technologies to tackle local and global challenges, they embody what it means to be Men for Others. Whether designing sustainable solutions or launching ventures that serve the vulnerable, our boys will be Catholic innovators who use their gifts for the greater glory of God.

How do you encourage students who don't naturally see themselves as "inventors"?

Every person is inherently creative; they just haven't found the tool that resonates with them yet. Grounded in Cura Personalis, we meet each student where he is, tailoring opportunities through passion projects and differentiated learning so that every boy can discover his God-given potential and dream beyond limits.

Roadmap to the Future

Teresa Martínez | Director of Communications

The 2025–2026 academic year opened with a theme from Proverbs 27:17: “As iron sharpens iron, so one man sharpens another.” As Fr. Willie, S.J. ’87 reminded us, God designed us to grow in community. At Belen Jesuit, that growth happens through the support & challenge shared among students, faculty, coaches, parents, & alumni.

Guided by extraordinary educators, our Wolverines rose to the challenge, striving for the Magis in academics, athletics, & service. Here are key highlights from 2025–2026 & a look at where our strategic roadmap leads next.

Our Students

In 2025–2026, Belen Jesuit educated 1,361 students, including 187 seniors in the Class of 2026. Maintaining our intentional, small class sizes directly advances our strategic objective to deepen brotherhood & ensure Cura Personalis for every student.

Academic Distinction & College Placements

» **#1 All-Boys High School in Florida:** On September 26, 2025, Niche awarded Belen Jesuit this premier ranking, a testament to the dedication of our Jesuits, faculty, staff, & families in pursuing academic & spiritual excellence.
» **National Honors:** 109 students earned College Board National Recognition, 12 students received Commended status, & 6 seniors were named National Merit Scholarship Finalists.
» **Silver Knight Awards:** Nine seniors were nominated for this coveted award. Matthew Vila ’26 won the Silver Knight in Music & Dance, & Joaquín Otero ’26 earned Honorable Mention in Speech.
» **College Acceptance & Scholarships:** The Class of 2026 earned nearly $21 million in scholarships (excluding Florida Bright Futures), received acceptances to 144 distinct universities, & saw 12 student-athletes commit to collegiate sports programs.

Athletic Excellence & Academic Rigor

Wolverine athletics continued their storied legacy, led by the Cross Country team’s 9th consecutive state championship (17th title overall). Individual state titles were earned in cross country, swimming, & track & field. Exemplifying true balance, five varsity teams earned FHSAA Academic Team Championships: baseball, basketball, football, soccer, & track & field.

Intellectual & Ignatian Formation

Academic Teams, including Chess, Model UN, DECA, History, Geography, & Thespians, demonstrated that dedicated effort yields extraordinary growth. Many brought back national recognition, along with several state & county accolades.

True to our mission of forming “Men for Others,” our service organizations embodied Ignatian values in action:

» **Catholic Identity:** Over 180 students received the sacrament of Confirmation, 20 received their First Communion, & 7 were baptized. Additionally, the Eucharistic Procession welcomed hundreds of Belen community members on campus for adoration.
» **Mission & Evangelization:** The Marian Society engaged in missionary work in downtown Miami, while Faith Break expanded our gospel outreach & advocacy through digital media.

Campus Transformation: Construction Progress

Last school year, we enthusiastically marked the opening of Maury Park & Game Day Plaza. These reimagined spaces not only enhance opportunities for our student-athletes & fans, but also elevate the visual aesthetic of our 34-acre campus.

As we prepare for the transformative Student Center construction, several strategic campus relocations took place:

» **Kadre Counseling Center:** Temporarily relocated to the I-Section, keeping our college & academic counselors centrally available to support students' holistic growth (Cura Personalis).
» **Tech Center:** Relocated to the Shanley Family Administration Building.

In late April 2026, demolition began on Phase 1 of the Student Center. Throughout the summer & into the school year, construction crews worked tirelessly to unite & transform this core section of campus.

A major milestone was reached in mid-October with the opening of the newly renovated Jessica & Carlos Bonzón Wing. This 19,084-square-foot space enhances both our campus footprint & functionality, featuring:

» **17 modern classrooms** designed for innovative & collaborative teaching (adding three classrooms to the school).
» **2 administrative offices** & a conference room.
» An **Extended Learning Area** & **Contemplation Area**, which can be used for meetings, studying, & for seniors to gather.

Every block laid & wall moved aligns directly with Belen Jesuit's Strategic Plan, ensuring our facilities reflect our unwavering commitment to academic excellence & Catholic-Jesuit formation.

Looking Ahead: Phase 2 & Beyond

With Phase 1 successfully completed, focus shifts to Phase 2 of the Student Center. Construction continues seamlessly, concentrating on:

» The front entrance facade of the main school.
» The former counseling area.
» The **Ramón Guiteras Memorial Library**, transforming it into a modern, student-centered learning environment.

Construction efforts will ramp up in the summer of 2027 following the conclusion of the academic year. Overall, the Student Center project is scheduled for completion within an 18-month timeline.

Get Involved: Shape Our Future

Every member of our Belen family—parents, alumni, grandparents, & friends—plays a vital role in advancing our mission. Through The Fund for Belen, your generosity turns strategic vision into reality.

» **Impact at Every Level:** Gifts of any size directly fuel campus improvements & student opportunities.
» **Naming & Dedication Opportunities:** Extraordinary gift opportunities are available for donors wishing to leave a lasting legacy on campus.

To make a gift or to learn more, please contact our Executive Director of Advancement & Alumni Relations, Phil Fernández '94, at ffernandez@belenjesuit.org.

GIFT PUBLICLY TRADED STOCK TO BELEN

Giving appreciated stock saves you tax dollars in two ways. First, you will receive an income-tax deduction for the current value of the stock. This value is the average of the high and low prices on the transfer date. Second, you avoid paying tax on the stock's capital gain.

KEY STEPS

- If the stock is currently held in a brokerage account, simply request that your broker transfer it to Belen Jesuit Preparatory School's brokerage account.
- If you have stock certificates, simply date and sign where indicated on the back of each certificate. Then send the certificates to Belen Jesuit Preparatory School along with a “Relinquishment Letter” bearing your notarized signature.

The Mariana Society

Your Crypto. Our Future.

Phil Fernández ’94 | Executive Director of Advancement & Alumni Relations

Last year, Belen Jesuit introduced The Mariana Society, providing our community with a new opportunity to make a meaningful impact through cryptocurrency giving. As digital assets such as Bitcoin & Ethereum continue to become more widely adopted, cryptocurrency donations offer an additional, convenient, & tax-efficient way for donors to support the School’s mission.

The Mariana Society is named in honor of Fr. Juan de Mariana, S.J. (1536–1624), a Spanish Jesuit priest & scholar whose writings reflected his commitment to economic justice, ethical stewardship, & the protection of personal property. In his 1609 treatise *De monetae mutatione*, Mariana challenged the debasement of currency by the Spanish crown, advocating for principles of stability & responsibility that continue to resonate today.

A New Avenue for Giving

The Jesuit tradition has always embraced innovation in service of mission. By accepting cryptocurrency, Belen Jesuit continues this tradition by meeting our community where they are & providing another meaningful way to participate in helping us achieve our vision.

Cryptocurrency gifts offer donors:

- **Accessibility**: A secure & streamlined way to contribute digital assets.
- **Impact**: Every gift helps advance Belen Jesuit’s commitment to academic excellence, spiritual formation, & service.
- **Flexibility**: An additional option for supporting The Fund for Belen, endowment initiatives, planned giving, & other areas of need.

Join The Mariana Society

The Mariana Society recognizes members of the Belen community who make a cryptocurrency gift of $2,500 or more or participate in the Bitcoin $250,000 Pledge. These forward-thinking donors represent a new chapter in Belen Jesuit’s longstanding tradition of generosity & commitment to future generations.

To learn more about cryptocurrency giving or to make a gift, please contact the Office of Advancement at ffernandez@belenjesuit.org or 786-621-4102.

Thank you...

to the Alumni, families, & friends who help us achieve our mission of forming men for others.

Givers who gave $1,500 or more have been highlighted as members of the President's Circle.

BELEN

GUIDING WOLVERINES TOWARD THEIR FUTURE

MEET MICHELLE MIÑOSO

Michelle Miñoso joined the school as the new Director of Student Career Development at the start of the 2026-2027 academic year. A veteran educator with nearly three decades at Our Lady of Lourdes Academy, most recently as Chairperson of the Business & Computer Science Department & Externship Coordinator, Ms. Miñoso brings a wealth of experience in preparing students for life beyond the classroom.

Let's get to know Ms. Miñoso a bit more, learn about her vision for the Office of Career Development, and find out what Belen families can look forward to.

The Office of Career Development has already connected more than 600 students with meaningful work experiences. What excites you most about building on that legacy?

Honestly, what excites me most is the chance to work closely with our alumni network, parents, and students. Over 600 students have already gained real-world experience through this program, and I want to keep building on that by bringing even more of our community into the process, because the more people we involve, the more our students benefit.

What is your vision for the Office of Career Development, and what new opportunities can students look forward to?

My vision is to build career planning into every grade, from 6th through 12th, so that by the time our students are ready to go out into the community, they have had the years to explore, ask questions, and grow into their decisions rather than facing them all at once. Students can look forward to one-on-one meetings, workshops, shadowing experiences, externships, and internships tailored to their career interests as well as more opportunities which will allow them to connect with alumni, parents, and professionals throughout our community.

Belen's mission is to form "Men for Others." How does career development at Belen go beyond resumes and internships to help form well-rounded young men of character?

Career development at Belen is not just about helping a student get a job someday. It's about helping him understand who he wants to be. When a professional takes the time to explain not just what they do, but why they do it and how their work serves others, that lesson stays with a student long after the conversation ends. We are not just preparing them to work. We are preparing them to lead with purpose.

How can parents and alumni get involved in the Office of Career Development?

There are many ways to get involved: volunteer as a guest speaker, participate in the Ignatian Gentlemen series, or host a student for an externship or internship. Every level of involvement makes a real difference for our students.

"I am really grateful for the internship I received from the Office of Career Development this past summer. It allowed me to see firsthand the responsibilities and practices of ENT specialists. Dr. Yohan was great and taught me about the autonomy of the human ear and throat channels. I am extremely grateful for the opportunity," said Nathan Samuel '27

Why We Give Back

By Jessica & Carlos Bonzón P'30

Supporting Belen Jesuit is deeply personal to our family because Belen has become much more than a school. It is a community that has played an important role in our three boys' lives & helped shape them into the young men they are becoming. As parents, we value the education they receive, but we are especially grateful for the values Belen instills in them. Belen encourages our boys to work hard, challenge themselves, support one another, & understand the importance of faith, service, humility, & character.

Each of our three boys has had his own experiences & journey at Belen, but they share something very special: a feeling of belonging to a brotherhood. The friendships, traditions, & memories they are creating will stay with them long after they graduate. Watching our boys grow together through their Belen experience has made us especially grateful for the community that surrounds them.

Supporting Belen is our way of giving back & saying thank you. We are grateful for the teachers, coaches, faculty, & staff who dedicate their time, energy, & passion to helping our boys become the best versions of themselves. Their influence extends far beyond the classroom & has made a lasting impression on our family.
The dedication of the Jessica & Carlos Bonzón Wing in the new Student Center makes supporting Belen even more meaningful to us. Seeing this vision become a reality represents the continued growth of a school we are proud to call part of our family. Knowing that our support can help create opportunities for our sons & for generations of Belen students to come makes this moment especially special.

For our family, supporting Belen is an investment in its future & in the young men who will carry its traditions forward. We are proud to be part of the Belen family & to help preserve the brotherhood, faith, & sense of purpose that have meant so much to our three boys.

Three sons, one Belen family, & a legacy we are proud to support.

Make a Gift

2025-2026 Financial Overview

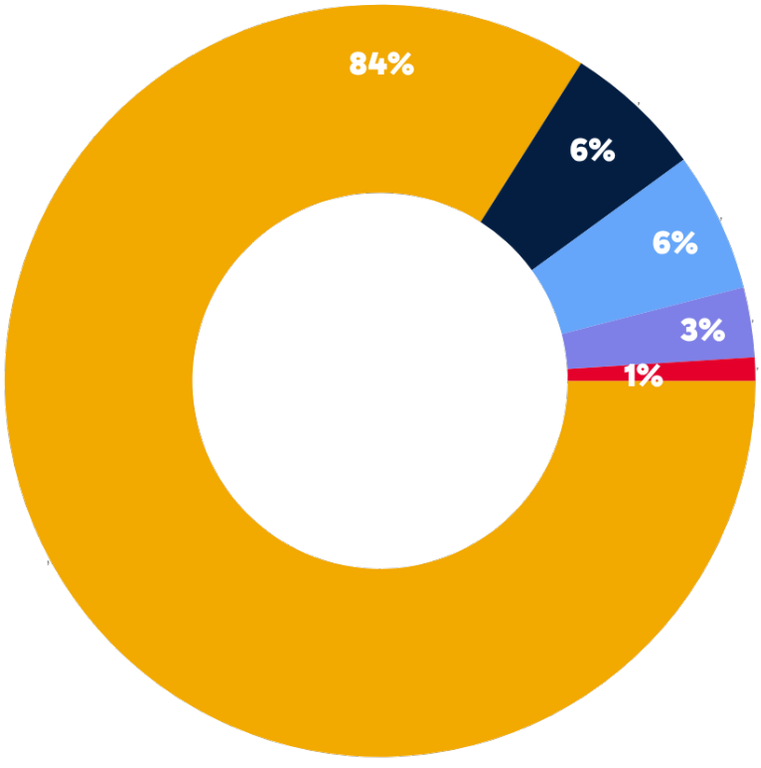

Investing in Today & Tomorrow

During the 2025-2026 school year, Belen Jesuit invested **$2,659** per student in excess of the revenues generated from school sources. Donations to The Fund for Belen have made it possible for Belen Jesuit to fill the gap & provide its students with challenging academic programs & outstanding faculty & facilities.

Contributions are the key resource to perpetually make an annual investment in the school's program and achieve the goals outlined in Belen Jesuit's Strategic Plan.

AMDG

Revenue from School Sources

$33,895,655
Tuition and Student Fees

$2,512,088
Academics and Student Activities

$2,394,136
Auxiliary and Food Service

$1,023,727
Investment Income

$521,355
Other

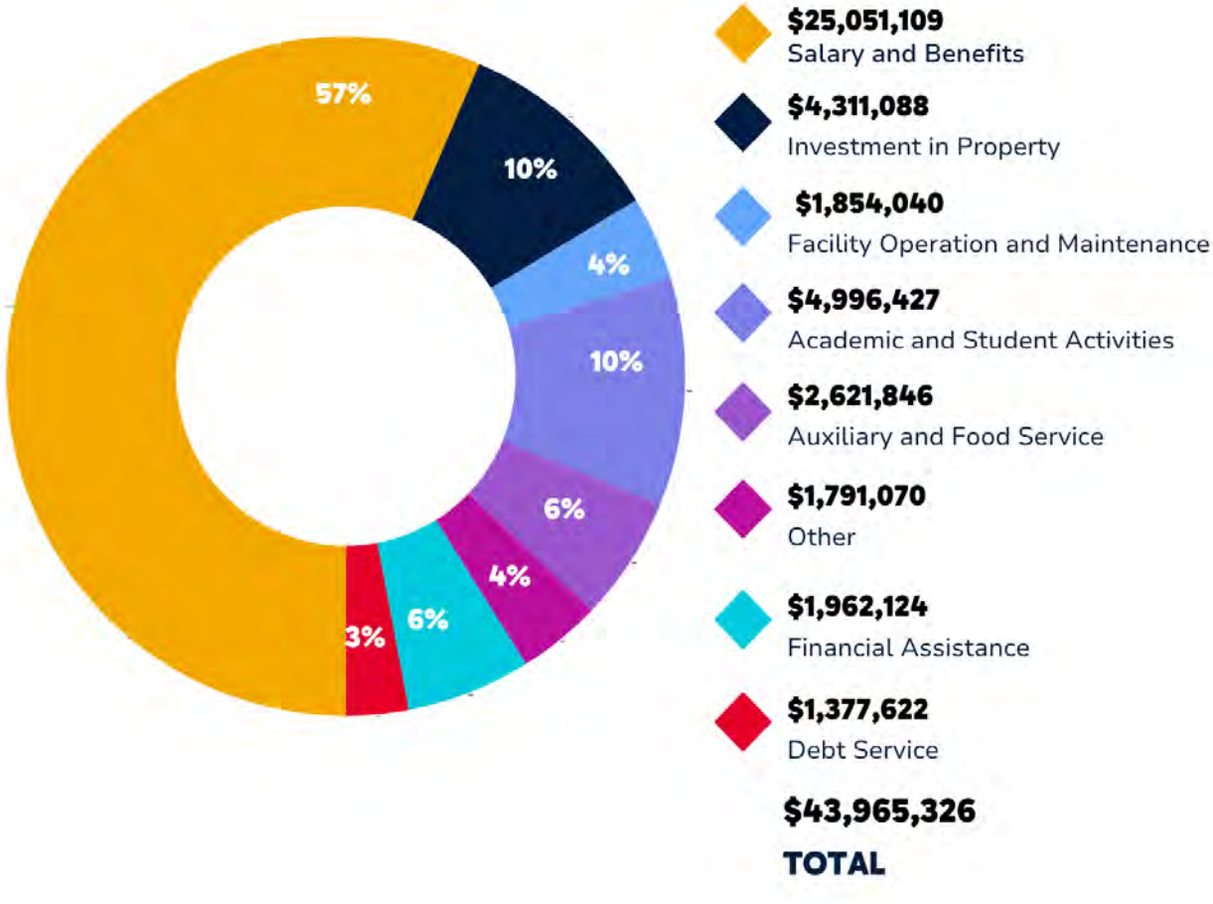

$40,346,961
TOTAL

Investment in Student Development & Facilities

The investment in excess of school revenue was **$3,618,366** with an enrollment of **1,361**.

This represents a gap of **$2,659** per student.

New Scholarships Established

By CJ Cristóbal ’16 | Communications Specialist

On June 26, 2026, the Belen Jesuit community gathered for a deeply moving ceremony to honor Ana Mora, her husband, Juan Mora Sr., & their son, Juan Mora Jr. ’07, who tragically lost their lives in the Surfside building collapse. As part of the tribute, framed American flags were unveiled in remembrance of their lives & enduring legacy.

That legacy now lives on in a profound way. Through the generosity of Maribel & John Greenmyer, the **Mora Family Scholarship** has been established to support deserving students at Belen, with priority given to the sons of first responders. This meaningful gift ensures that the Mora family’s memory will continue to inspire future generations while opening the doors to a Belen education.

By honoring those who dedicate their lives to protecting others, the scholarship reflects the core values of service, generosity, & community that define Belen Jesuit. We are deeply grateful to the Greenmyers for helping form the next generation of leaders & Men for Others. We also ask that you continue to keep the Mora family, & all those who lost their lives in this tragedy, in your prayers.

Continuing this spirit of remembrance & generosity, on August 5, 2026, the **Camila Suárez Scholarship Endowment** was established. Camila served as a dedicated Counseling Department Assistant from 1995 to 2014 & was the beloved mother of Jesús (Jay) Suárez ’02.

“My wife Carmen & I are grateful to honor the memory of Camila Suárez for her years of friendship & loyal service to the Belen community. We have many fond memories of time spent with Camila & her beloved son, Jesús Suárez ’02. It is our hope that this scholarship will allow future generations of young men to live fully alive in Christ & in service to others,” said Ambassador Carlos Trujillo (ret.) ’01, benefactor.

Together, these scholarships reflect a shared commitment to faith, service, & the formation of young men in the tradition of St. Ignatius of Loyola—where academic excellence, spiritual growth, & care for the whole person go hand in hand.

To learn how you can support the future of Belen Jesuit, please contact Phil Fernández ’94 at ffernandez@belenjesuit.org or call 786-621-4102.

Transforming Lives & Building Dreams

Endowments & Scholarships

By Phil Fernández ’94

Because of you, we added just over one million dollars during FY 25-26 to our endowment. This is more than a number; it is a legacy of opportunity. Your gifts directly sustain the pillars of a Belen education: opening doors for deserving students through financial assistance, championing the growth of our world-class faculty & community, & preserving the beauty of our campus through building maintenance.

A Commitment to Our Faculty

The cornerstone of a Belen education is its exceptional faculty. To honor this commitment, the Board of Advisors established the “Go Forth & Teach” Endowment by allocating 10% of the annual proceeds from The Fund for Belen. This year’s remarkable fundraising success enabled Belen to add $270,000 to the endowment’s principal. This amount is invested for long-term growth & is not available for immediate distribution. In accordance with Belen’s endowment spending policy, annual distributions are limited to 4.5% of the fund’s rolling three-year average market value, providing a sustainable source of support for faculty salaries & benefits for generations to come.

Endowed Funds:

Follow Me

A BYM Testimonial by Henry Brumfield ’27

As I sit down to write this reflection, it’s been roughly one month since my Belen Youth Missions (BYM) trip to La Cuchilla ended. BYM brought 60 students to the Dominican Republic, where we spent 8 days working diligently to finish a roughly 7.4-mile-long aqueduct for a village of hundreds of people. Each morning we would wake up at 7:00 a.m., have breakfast, & hop into the backs of white pickup trucks to drive through the mountains of the D.R. We would work until 4:30 p.m., digging, laying pipe, & covering the pipe for the aqueduct we were building. It wasn’t easy, but knowing how important the aqueduct was for the village kept us going.

I waited nearly a month to write this reflection because I didn’t want to write while still feeling the high so many people experience after a retreat. I wanted to see what would remain once the excitement faded. I can now say that out of everything I experienced on BYM, one event changed the way I live & carry myself.

At one of the daily Masses, I had just received the Eucharist & was kneeling in prayer, anxious & struggling to find the right words to say to God. It was then that a piece of advice from one of the chaperones came to mind: there is no such thing as a perfect prayer, & if you can’t think of anything to say, sit in silence & let God do the talking. I decided to take his advice. I closed my eyes, cleared my mind, & heard nothing. After a minute or two, I opened them, frustrated that nothing had happened.

The first thing I saw was a statue of the Sacred Heart of Jesus. I couldn’t stop looking at it, & I didn’t know why. I then felt Jesus telling me, “stop with the sin & garbage of this world & follow me.” Immediately after Mass, I asked Fr. Willie, S.J. to interpret the statue. He told me he sees Jesus holding his hand down to the world, then asked, “What do you see?” I told him I saw Jesus holding his hand out for me to grab. He suggested I hold onto that message & not forget it.

At first, I thought “garbage” meant things like money & pleasure. Now, I realize it meant something deeper: to stop caring what people thought of me & let go of the pressure to live up to their expectations. Before this trip, I limited my thinking about my future to what others thought I should do, things like becoming a lawyer or climbing the corporate ladder. It was only after BYM that I realized I needed to change my perspective & focus instead on how I can best serve others & follow God’s plan. Looking back, I can say for sure that BYM taught me that service is not about yourself but about others, & that a fulfilling life comes not from what I do for myself but from how I serve others.

Since this trip, I’ve been far more comfortable with who I am & far less worried about people’s opinions of who I should be. When I face difficult situations, I don’t worry about what others will think of how I react. Instead, I focus on letting go of that “garbage” & listening to the words of Jesus saying, “Follow me.”

The Belen Youth Missions is for rising seniors & has been serving people in impoverished areas of the Dominican Republic for over 40 years. Registration information is sent via email to the junior class in mid-January. For more information, visit **https://www.belenjesuit.org/belen-youth-missions**.

A glimpse into the Alumni Year in Review

The Alumni Association is proud to release the fourth edition of Our Year in Review, a publication that highlights the traditions, milestones, & moments that shaped our alumni community from August 2025 through July 2026.

The Belen experience doesn't end at graduation; it simply changes. This year, alumni found their place in it in every way imaginable: building homes alongside classmates in the Dominican Republic, mentoring the next generation, gathering for faith & fellowship, or simply showing up for one another at a tailgate or a reunion. Together, these moments reflect what our Alumni Association has become: a community with many ways to participate, & one shared identity.

HIGHLIGHTS FROM THE YEAR

New Leadership — Carlos Hernández ’88 succeeds José "Pep" López-Varela ’87 as President.

Alumni Mission Trip — 30 alumni built & furnished six homes in the Dominican Republic.

Grand Reunion & Tailgate — beloved traditions bringing generations of Wolverines home.

Catholic Jesuit Identity Group — monthly service with the Missionaries of Charity & shared Masses.

Because Belen Podcast — relaunched in a new format.

Belen Alumni Tour — reconnecting with Wolverines in Orlando, Gainesville, Tallahassee, & D.C.

To read the Alumni "Our Year In Review," scan the QR code

This publication is more than a recap. It's an invitation. Whatever your place in the Belen family looks like, this year proved there's room for you here!

Matching Gifts

It is not only individuals who help Belen Jesuit advance its mission, but also companies that match their employees' charitable contribution. The school is grateful to the following organizations who matched gifts of their employees. Matching gifts are a great way to increase your support & have an even greater impact on our school. Below are companies which have made a matching gift contribution to Belen Jesuit.

President's Circle Reception

Belen Jesuit is blessed each year by the generosity of our entire community of alumni, parents, & friends whose support advances our mission. Within this extraordinary family of benefactors, members of the President's Circle play a vital role through their leadership giving. Their commitment directly sustains our devotion to academic excellence, spiritual formation, & service rooted in the Ignatian tradition.

For the 2025–2026 fiscal year, the President's Circle leadership giving level was $1,500. To keep pace with rising costs & inflation & to ensure we can continue expanding the programs & opportunities that make a Belen education so transformative, the leadership giving level will adjust to $2,000 for the 2026–2027 year.

Donors who make a gift of $2,000 or more between August 1, 2026 & July 31, 2027, will be recognized as members of the President's Circle.

President's Circle Membership Includes:

» Invitations to the annual President's Circle Reception
» Special recognition in the annual President's Report for leadership generosity

Your partnership as a President's Circle member directly impacts the lives of our young men, helping us form leaders who are open to growth, intellectually curious, religious, loving, & committed to doing justice.

Thank you for your continued generosity & devotion to the Belen family. You can renew or make your President's Circle gift online at **www.belenjesuit.org/make-your-gift-today**.

THANK YOU
2025-2026 BELEN BUSINESS PARTNERS

The Belen Business Partner Program is a great way for businesses to be showcased during the school year at our events and to be advertised in our school-wide community publications. Proceeds from the BBP help support school initiatives and the Belen Financial Assistance Program.

SUPPORT BELEN JESUIT

CONTRIBUTE TO THE FUND FOR BELEN

Support for The Fund for Belen ensures our commitment to exceptional Jesuit education remains strong. Tuition alone does not cover the full cost of educating each student. Contributions help bridge the gap between tuition revenue and the true cost of a Belen education.
